Request for Quote / Quote

Send a Request

Sending a request for quote is quite the same way as sending an order. All items will be collected in the cart from the various search options (direct search from nav bar / order entry section). From there the request for quote will be sent in step 3 respectively step 4 via the button **Request a Quote** instead of the **Submit Order**.

	Part Number	Quantity	Ship From : Stock Quantity (Package Type)	Weight	List Price	Net Price	Extended Price	Show All Detail
